About Anupam International

It began with a dream at a time when India was known as the hub for Handloom Textiles, a Vision in the mind of founder late **Mr. V.A. Venugopal** was formed way back in the year 1970. The Vision was to grow & flourish beyond national frontiers by offering products of excellence in markets that demand high quality.

Ever since there has been no looking back for **Anupam Group**, which had its roots firmly entrenched in manufacture of quality textiles, before establishing its presence as a Garment Exporter. Anupam International is offshoot of Anupam Group, concentrating on Woven Readymade Garments to get a separate identity & cater to the customers in UK, Europe, South America, UAE and Far East markets.

Anupam International stands proud as one the finest examples of a family managed organization and the management proudly call themselves as inherited entrepreneurs.
